Eamon J. McEneaney

I 'm Always With Y ou

*Wherever I go
I won't go without you
for you'll always be in my heart.
And though weeks may pass
when I can't hold you close
we still, will not be apart.*

*So let me rest in your dreams
when the evening is still
and the sunset... quiets the day -
listen to your heart
and remember -
I 'm not really away.*

*Wherever I am
you'll be there with me
this feeling just can not let go.
For love is a song
that once started, plays on...
and the music, both of us know.*

they say you're gone
but they got it all wrong
i know you're here
i can still feel your
warm cheer.
your christian eyes
wave hello
i hear your voice
ring out
like a favorite bird,
and hear your words
amid the laughter
gone
no
never
always then i
close my eyes
perfect souls
never die
